- A curved wall of windows brings the outside in with a gorgeous view of the surrounding settings.
- Make room for fun. A media room gives you more recreational space for the whole family.
- Add a fireplace to your keeping room to make a cozy room feel even warmer.
- Keep your guests comfortable with a private guest suite and full bath on the main floor.
- You can never have too much kitchen storage. A large butler's pantry allows for the shelves to remain stocked and the family to remain content.
- Relax in your owner's suite with a comfortable bedroom layout and large walk-in closet.
