

Custom Design Finishes

- Add an element of surprise with a grand entry and two-story foyer.
- A spacious mudroom keeps the family coming in while the mess stays out.
- For many people, the kitchen is the hub of the home. So why not enjoy a gourmet kitchen with granite countertops and stainless steel appliances to make the kitchen experience extraordinary.
- Add elegance to your home with a banquet sized dining room, perfect for entertaining a large group of family and friends.
- Need more private space? A guest suite on the main floor gives your guests an area all their own.
- Make room for fun. An over-sized Media Room gives you more recreational space for the whole family.
