CUSTOM DESIGN FINISHES

- An owner's suite on the main floor makes your easily accessible suite your perfect retreat.
- Relocate a fireplace to the study to make a cozy room feel even warmer.
- A coffered ceiling can bring depth and a touch of elegance to a family room, dining room or study.
- Enjoy a spacious kitchen and island overlooking the open family room.
- Keep the family connected with a convenient jack-and-jill bath between the secondary bedrooms.
- Want more living space? A keeping room gives you a naturally lit exterior room that brings the beauty of the outside in.
