CUSTOM DESIGN FINISHES

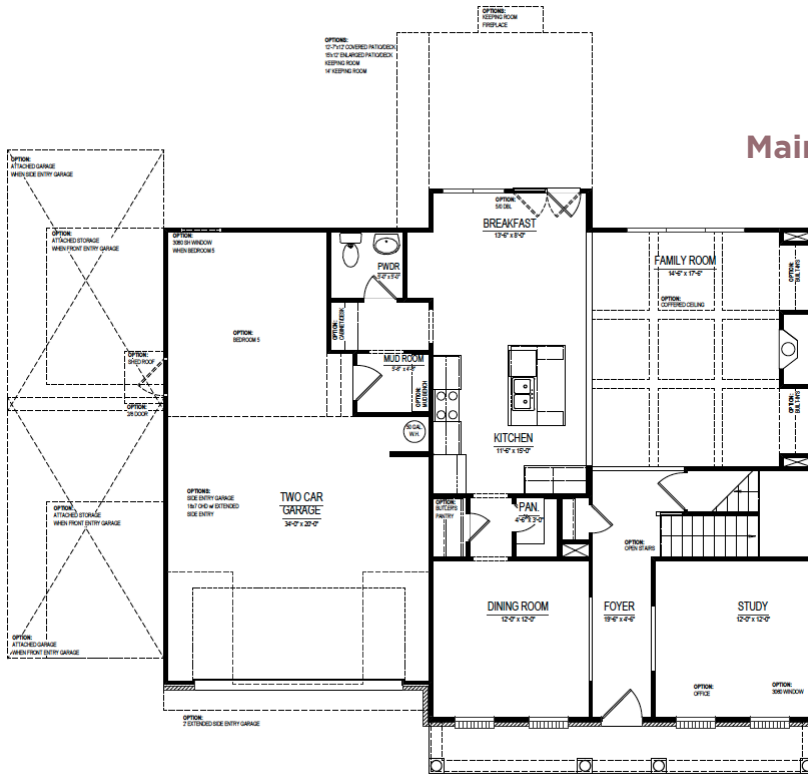

- A large, open floor plan creates an inviting layout for your family to always feel connected.
- A separate study provides a place to set up a home office or library.
- An optional media room gives your family a place to relax or entertain.
- The oversized owner's suite and closets offer a private retreat.
- The optional keeping room provides even more living space for your family.
- Need more bedrooms? Add an optional 5th bedroom and bath conveniently located on the main floor.
