### CUSTOM DESIGN FINISHES

- A spacious open plan offers plenty of room to entertain a group of family and many friends.
- The large dining room provides the opportunity and space to have a dinner party.
- Enjoy a two-story family room or upstairs media room at no upgrade charge.
- Adjust the floorplan with our predrawn options to fit the way your family lives.
- Utilize the bedroom on the main floor as a private study or guest suite.
- A butler's pantry provides a perfect secondary kitchen-like space.
- The open kitchen and breakfast room gives the family a place to gather.
- Add a keeping room or third car garage for added living and storage space.
