

Custom Design Finishes

- Add an element of design elegance with a coffered ceiling and built-in bookcases in the family room.
- Enjoy outdoor living space on the covered front porch and rear patio off of the breakfast room.
- The spacious breakfast room offers a great place for entertaining family and guests.
- The laundry room can be conveniently accessed from the owner's suite.
- You can never have too much kitchen storage. A large walk-in pantry allows for the shelves to remain stocked and the family to remain content.
- The oversized owner's suite his-and-her closet provides space for your clothes all seasons of the year.
