

## Custom Design Features

- Not everyone needs a study. You may choose a first floor fifth bedroom in lieu of a study, giving your guests and family more private space.
- A curved wall of windows brings the outdoors in with a gorgeous view of the surrounding settings.
- A large, open floorplan creates a connected space and inviting feel between your kitchen and family room.
- The grand entry and covered porch make an elegant statement, with the large dining room and living room right off of the foyer.
- Find additional living and storage space in the two-car garage, optional basement, and keeping room.
- Enjoy a private owner's suite with a spa-like bath, dual vanities, and two spacious walk-in closets.
